

Montana Coal Endowment Program Infrastructure Project Grant Applicants for the 2029 Biennium

| | Applicant | County | Project Type | MCEP Grant Requested | Total Project Cost | Leveraging Source(s) Proposed | Amount Leverage Proposed | Project Description |
|---|--------------------|-------------|--------------|----------------------|--------------------|-------------------------------|--------------------------|---|
| 1 | Baker, City of | Fallon | Water | \$500,000 | \$1,847,800 | County, City | \$1,347,800 | Replace and upsize water mains with looping and associated valving, hydrants |
| 2 | Bearcreek, Town of | Carbon | Water | \$500,000 | \$1,040,700 | RRGL, SRF, Local | \$540,700 | Replace approximately 1,070 linear feet of existing asbestos cement pipe with PVC pipe, valves and associated hydrants for water distribution |
| 3 | Boulder, City of | Jefferson | Wastewater | \$500,000 | \$5,174,000 | RRGL, RD | \$4,674,000 | Wastewater collection and treatment system improvements |
| 4 | Broadview, Town of | Yellowstone | Wastewater | \$625,000 | \$5,880,000 | RRGL, CDBG, RD, Local | \$5,255,000 | Wastewater system collection upgrades and lagoon system improvements |

COMMERCE

| | Applicant | County | Project Type | MCEP Grant Requested | Total Project Cost | Leveraging Source(s) Proposed | Amount Leverage Proposed | Project Description |
|---|---|---------------|---------------------|-----------------------------|---------------------------|--------------------------------------|---------------------------------|--|
| 5 | Charlo-Lake County Water & Sewer District | Lake | Wastewater | \$750,000 | \$5,564,000 | RRGL, RD | \$4,814,000 | Wastewater upgrades to replace lagoon liners, remove sludge, install influent/effluent flow meters and construct lift station bypass |
| 6 | Choteau, City of | Teton | Water | \$500,000 | \$6,373,000 | RRGL, CDBG, RD, Local | \$5,873,000 | Water distribution improvements to replace and upsize water mains with looping |
| 7 | Circle, Town of | McCone | Water | \$500,000 | \$1,950,000 | RRGL, CDBG, SRF | \$1,450,000 | Replace water mains, install new gate valves and hydrants |
| 8 | Clyde Park, Town of | Park | Water | \$625,000 | \$3,132,700 | RRG, CDBG, SRF, Local | \$2,507,700 | Replace water mains, install new gate valves, hydrants, and with metering systems |
| 9 | Conrad, City of | Pondera | Water | \$500,000 | \$1,551,250 | RRG, SRF, Local | \$1,051,250 | Construct a partial connection to the regional water authority and control vault, flow metering and sampling equipment, pressure control valves, |
