

# Memorandum

TO: Economic Transition, Stabilization and Workforce Development Commission  
FROM: Laurie Esau, DLI Commissioner  
DATE: July 14, 2021  
SUBJECT: Governor's Office of Community Service - AmeriCorps Grants

## Overview

Section 2206 of the American Rescue Plan Act authorizes the Corporation for National and Community Service to award grants to State Service Commissions for the following functions:

- State Commission Support Grants and Commission Investment Funds
- AmeriCorps subrecipient program grants: pass-through grants to be awarded to current subrecipients to increase the AmeriCorps living allowance and to expand the cost per Member Service Year for each grant

## Appropriation Request

The Department is requesting approval to spend up to \$5.5 million, as the funding is received from the Corporation of National and Community Service. To date, award amounts have not yet been announced.

## Eligibility

- Section 2206 of ARPA
- Section 16 of HB 632

## Process/Notes/Other

- The above funds are direct grants to the Governor's Office of Community Service. They are not included in the \$150 million of ARPA funds that are allocated in Section 12 of HB 632.
